Stewpot Receives a \$1,500 Grant

The Stewpot received a \$1,500 grant from the Arkansas Hunger Relief Alliance. The money from the grant could not be used for food. The money was used for a new "Buzzer" system located in the small Stewpot kitchen. The church office is not staffed full-time and individuals arriving to cook or serve at the Stewpot must often text or call Ed or Cedric to come down and let them in. The new Buzzer system will allow individuals working in the kitchen to see who is at the front door and remotely unlock the door for entry.

The church office is only staffed on Monday - Wednesday and Friday from 9:00 a.m to 1:00 p.m. If the buzzer rings

while you are in the kitchen, please be sure that you recognize the individuals before letting them into the church.

From the Clothes Closet.....

The Clothes Closet is getting ready to begin the process of changing from warm weather clothing to cold weather gear! During this time, we always become even more aware of our needs to help our neighbors. So, if you too are changing clothing seasons and find yourself with gently-used items we need, please remember the Clothes Closet! We are **extremely** low on:

- Men's jeans and docker type pants (sizes 30-38)
- Men's T-shirts
- Men's and women's athletic shoes and boots
- Men's and women's hoodie style jackets
- Men's briefs and boxers underwear
- Men's and women's socks

Socks are probably the most requested item we distribute. Recently, we gave out 116 pairs of men's white socks.....this didn't include the black socks that were also handed out. So, you can understand why we are ALWAYS requesting socks!!!

An anonymous donor recently donated \$500 to buy underwear for the Stewpot.

**How Many Meals does Stewpot
serve in one month?**

Approximately 3,400 each month.

How much does one meal cost?

**The price has risen
from approximately \$2.15 a
meal to \$2.67 a meal.**
