- Manager – Nancy Rorex
- Daily Manager – Ed Brown
- Communications – Charles Frith

Undie Sunday Not a Success

Recently, all the Stewpot Team Captains were contacted and asked to contact their teams who in turn were to request that their churches hold an **Undie Sunday** and bring women's underwear for the Stewpot. Only **Two** churches brought women's underwear to the Stewpot.

Clothing Drive

Numbers Served at Stewpot Increasing

The numbers for Stewpot and the Clothes Closet are increasing. Recently, the number served has been over two hundred on a number of days. This, of course, is reflected in our increased numbers of clothes needed for the Clothes Closet. The last few Thursdays, the Clothes Closet has really been busy. For instance, during one recent week there were NO men's long pants or jeans at all to give out. Larger size 2XXL and up T-shirts were also scarce. And finally, there were no women's cotton socks. **In Summary, the Clothes Closet is in dire need of all types of men's and women's clothes. Please check your closets and see if you have clothes that the Stewpot could use. Deliver them to your Church Office and your Team Captain will see that they get delivered to Stewpot.**

Lights and Security Cameras

At the last Stewpot Board Meeting, it was decided to install security cameras and motion detection lights in strategic places to help reduce drug trafficking around the Stewpot.

Your generous donations have helped us fight hunger for 40 years. Please send your tax deductible donations to The Stewpot, 800 Scott Street, Little Rock, AR 72201.
