RESOLUTION

In Appreciation of The Stewpot

For fifty years, The Stewpot has been a powerful embodiment of the Gospel of Jesus Christ, reaching out to and feeding whoever comes to its doors at noon, five days a week. Initiated by Presbyterians, participants from many different faith communities now participate in this mission to serve "the least of these brothers and sisters" of Christ.

For fifty years, The Stewpot has been housed at First Presbyterian Church of Little Rock. Now, The Stewpot will carry on its mission of reaching out to people in need at a new location whose facilities provide more opportunities for services to its diners.

This is something to applaud, celebrate, and ponder. The Session of First Presbyterian Church of Little Rock recognizes and gives thanks for the faithful witness of The Stewpot. The church is thankful that it could be part of this ministry for fifty years and thankful that The Stewpot's ministry will continue into the future.

It is so resolved this August 11, 2024.

Libby Ingram, Clerk of the Session

Established 1828
